

NAO INC. *Since 1912*

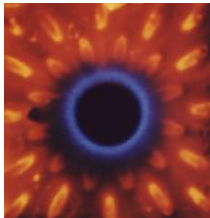

*Innovators for Combustion, Energy,
Environment, Pollution Control & Safety*

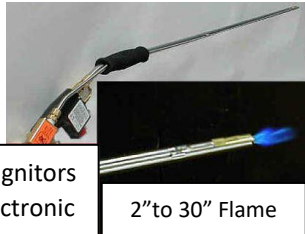

Enclosed Flares

Elevated & Pit Flares

Radiant Wall Burner

Portable Ignitors
Gas & Electronic

2" to 30" Flame

Natural & Forced Draft Burners
Gas, Oil, Waste

Air Heaters – Inline, High Pressure, High Temp

Atomizers & Sprayers – Chemicals, Oil, Water

Burners – Controls, Gas, Liquid, Low Btu, Low NOx, Pilots, Process Special, Waste

Flame & Detonation Arrestors

Combustion / Testing

Consulting – Environment, Safety

Conservation – Low Btu Burners, Zero Flaring

Control Systems – Piping Trains, UL Panel Shop

Emergency Rentals – Air Heaters, Auto Controls, Flares, Oxidizers, Pilots, Piping, Stacks

Fire Suppression

Flame Arrestors – Deflagration, Detonation, Testing

Flares – Enclosed, Elevated, Portable, Smokeless

Flare Pilots & Ignitors – Arctic & Desert, Extended Length, Flamefront, High Energy Spark, Retractable

Refractory – Special Shapes & Blocks for Burners, Flares, Oxidizers – Castable, Fired, Vacuum Formed

Safety Testing – Combustion, Explosions, Fire, Flares, Thermal Oxidizers

Valves – Gas, Oil & Fuel Skids / Trains

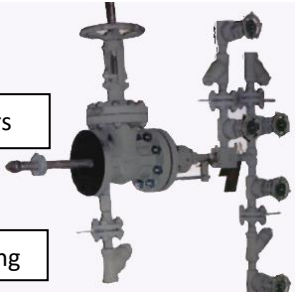

Vapor Control

Vents – Anti-Static, Dispersion, Fluidic, Low Noise, Flame Snuffing (CO2, Dry Powder, Steam)

Burner Management Pilot, Ignitor, Snuffing Control Systems

Atomizers & Sprayers

Vents & Snuffing
