Performance

Vents

Complete Systems
with: KO Drums
Fire Snuffing
High Dispersion
Low Noise
Steam Assisted

Early Production

Portable Flares - Tripods - SMALL
Trailer Flares - LARGE
Temporary Flares - VERY LARGE
Portable Enclosed Flares - INVISIBLE
Pilots, Ignitors, Controls

Energy Recovery

Low Btu Waste Gas Burners
Low Pressure Waste Burners
Liquid Waste Burners
Multi Waste - Liquid / Gas / Vapors
Enclosed Flares - Hot Water / Steam / Hot Oil Recovery

Ultra Low Emissions

Burners / Flares / Enclosed Flares
Testing & Performance
- Staging
- Recirculation
- Quench
